Dear Colleague,

Thank you for your interest in a micro grant to grow or re-start church based and inspired mission and ministry with children, young people and families or training that benefits the ministry of those working with children, young people and families. Please find below the grant criteria. As the budget is limited, the maximum that can be applied for over a calendar year is £900.

### Criteria for CYP grants

CYP grants must include some or all the following nine criteria:

1. The initiative must clearly be for growing or restarting mission and ministry with children, young people and families, or training that benefits the ministry of those working with children, young people or families.
2. The parish must be in good standing with the Diocese, part of which is contributing to the mission and ministry of the Diocese of Southwark through the Parish Support Fund.
3. The dates for the project must be realistic.
4. The project should be sustainable.
5. Leaders must be willing to share learning, both positive and negative with the wider church, and so contribute to mission of the whole Diocese, through filling out the CYP Grant Evaluation Form.
6. Able to give planned outcomes for anticipated fruitfulness.
7. Show evidence of a willingness to work with the CYP Team as the work progresses - accepting support and coaching as appropriate. The project can be discussed with the CYP Team before the application.
8. The form must be discussed with and approved by a PCC, Line Manager, Incumbent or Associate Priest.
9. The money should be paid into an organisation bank account.
