

Caring for Creation on a Budget

15 No-Cost or Low-Cost Actions for the Planet

Saving Energy

1. Turn off lights and electronics when not in use.
2. Switch to a renewable energy provider.
3. When replacing lightbulbs, switch to LED's.

Reducing Waste

5. Buy less, and buy second hand where you can.
6. Recycle properly - take time to separate your waste and use the right bins.

Biodiversity

9. Take part in Citizen Science surveys like [RSPB's Big Garden Birdwatch](#) and the [Big Butterfly Count](#).
10. Get involved with community gardening schemes.

Finance

14. Switch to a [greener, more ethical bank](#).

Travel

4. Walk, cycle, and prioritise public transport over driving. Use the [WWF Travel Better Planner](#) to plan your route.

Food

7. Eat less meat and dairy products.
8. Try to reduce food waste by carefully planning meals.

Speaking Up

11. [Write to your MP](#) to support climate and nature positive policies.
12. Educate others - share campaigns on social media, tell your friends and family.
13. [Sign petitions](#).

Prayer

15. Pray for the climate and nature crisis, and for climate justice for those most affected.
