An Interfaith Week Prayer by The Rt Revd Dr Martin Gainsborough, Bishop of Kingston

Looking to Jesus, the pioneer and perfector of our faith,

Help us Lord, this interfaith week, to draw closer to people of all faiths,

Sharing the gifts you have given us,

Giving thanks for all that we receive through dialogue.

Help us to be people of reconciliation,

Building up our communities,

Putting the needs of others before our own.

Where there is discrimination, fear or hurt,

We pray for healing and repair,

Trusting in the One who for the sake of the joy set before Him endured the cross

Taking his seat at the right of the throne of God, Father, Son and Holy Spirit.

Amen.
